

Two Teams May Go From Here to Rochester Bowling Tournament in April

TWO TEAMS MAY GO TO ROCHESTER, N. Y.

Palace and Colonials Likely to Represent Washington in N. B. A. Tournament.

KRAUSE AND PAGE LEAD

Twenty Thousand Dollars in Money, Besides Special Prizes, Are Offered.

Washington city is likely to be represented in the seventh annual bowling tournament of the National Bowling Association in Rochester, N. Y., between the dates of April 3 and 22. At present, plans are on foot to send two teams to the annual bowling classic—Palace and Colonial tenpin teams being the probable contestants from this city. Harry Krause and Percy Page form the mainstays behind the movement to have the Capital represented in the Rochester tournament, and it is more than likely that the two above mentioned teams will make the trip. A meeting of the tenpin association will be held one night this week, at which plans will be offered for having Washington represented.

The Rochester tournament will probably be the greatest event of its nature ever held since the organization of the N. B. A. Sixteen Brunswick-Balke-Corlender Company alleys with twenty-one foot runways have been installed in Geneva Hall. Twenty thousand dollars in prize money will be awarded to the winners, besides a host of special prizes which have been provided by Rochester merchants.

Because of the late closing of entries, the local contingent has a good chance of getting a team together. Entries do not close until a month from yesterday—until which time, the proposition can be properly worked up.

Of the seventy-five prizes offered to bowlers, who distinguished themselves in the recent intercity bowling tournament at the Palace Alleys, Washington tenpin artists won eight of them. Fifteen went to Baltimore rollers, while Richmond annexed ten prizes. Five places in Class A teams were cornered by local bowlers, while Richmond took two. In Class B teams five also came to Washington, with one for Richmond. Richmond pocketed one Class C prize and Baltimore took the remainder in that class.

Reports from Toledo, Ohio, where the A. B. C. tournament is being held, indicate that the largest entry known to the history of the organization will be seen at the annual bowling classic. Mayor Brand Wyntlock made the first address of the very informal opening, after which Frank L. Mulholland presented the alleys to the Terminal Addition to the A. B. C.

It seems as though little advantage can be gained in the race down the alleys in the District League. Garrison and Belmont are again tied for first place and indications are that the tie will be hard to undo.

West Gun Shon has a three-game advantage in the New York League. The race in this circuit was well started and it is not too late for a dark horse to forge ahead, yet.

Jennings Takes Many Pitchers Down South

DETROIT, Feb. 22.—Manager Hugh Jennings of the Tigers left here yesterday for the Southern training camp, in Gulfport, Miss., where he will first squad of players. The men who went South with the E-yah manager were mostly youngsters, though Pitchers Mullin and Lake and Shortstop Bush accompanied the expedition.

In the Gulfport training camp Jennings will pay particular attention to his young pitchers, who are being developed by a fairly good ball club. If he can develop a few winning twirlers, thirty-three pitchers will go toward the team. Jennings having decided to try the hoodoo number. Last year he ducked it and got poor results.

Boost for Athletics At Technical High

Technical High School Alumni Association, for the first time, will take an active part in the support of the McKinley School this spring, having planned to co-operate with the student body in arranging a benefit at one of the Washington theaters, the proceeds of which will go toward the baseball and track interests.

Through the efforts of J. Bond Smith, president of the alumni, the association of graduates have united to give the students some substantial support for their teams. It is hoped that the benefit will bring enough funds to finance the baseball and track teams for the coming season.

Washington Terminal Downs New Yorkers

Eyes of basketball fans were opened last night when the Washington Terminal Railroad defeated the New Yorkers in a basketball game. The victory has been establishing a record in this winter, defeating the strong squad from the New York Railroad Y. M. C. A. by 31 to 16.

Because of the fact that the New Yorkers have made a name for themselves in their home field, makes the victory of the Washingtoners even more notable. Mason who was the chief point forward for Washington this season won further glory last night by tossing ten goals from the floor.

Sulzer Will Have Something to Say

ALBANY, Feb. 22.—Governor Sulzer still declined to commit himself on the race track question today when asked if he wanted to make a statement on the court ruling that oral betting was not illegal.

"I shall have something to say regarding that," said the governor, "when I name a new State racing commission."

WRESTLING BOUTS FOR COMING WEEK

Lightweight and Heavyweight Athletes Will Clash at Lyceum and Gayety Theaters.

Something of a shift in wrestling styles is to take place in Washington this week. Manager Peck, of the Gayety Theater, who has been featuring middle-weight bouts so far this season, is going to put on a heavy-weight match Wednesday night—Shad Link, for years wrestling partner of American and Highland Lumber, of Worcester, Mass., being the contestants. Neither of these athletes need introduction to the Washington public, as they have both performed here before.

The following night, at the Lyceum Theater, Manager Mayer, who invariably leaves to the heavy-weight game, will put on John Kilonis and Louis Montana in a three-round bout. Kilonis, it will be remembered, won fifteen minutes with Joe Turner Friday night at the Gayety. This is said to be the fastest fifteen minutes of wrestling that this city has ever staged. Montana has many admirers here who will be glad to see him engage in a little "rough work."

ALL IN READINESS FOR RED SOX TEAM

World's Champions Leave for Hot Springs on March 2, Picking Up Men on Way.

BOSTON, Mass., Feb. 23.—The world's champion Boston Red Sox will leave for the training camp on March 2 and President McAleer today announced that all are in readiness for the spring. Only a few players live in this section of the country, but Olaf Henriksen, pitcher, Leslie Nunnemaker and Bill Carrigan will be in the party to leave here on that date. Capt. Henne Wagner, picked up in the game, will be picked up at Hot Springs, except Steve Yerkes, who will join the party in Philadelphia.

"Aside from our practice games with Pittsburgh at Hot Springs and our series with the Reds in Cincinnati," says McAleer, "the champions will have only one game before the bell rings, that all will be played at Fenway Park the day before the campaign begins. I expect the team to be in perfect condition when the season opens."

St. John's Captures Game From C. U. Quint

NEW YORK, Feb. 23.—Catholic University's basketball team, with a hard-fought game of the season last night, lost its last game to St. John's College, 26 to 25, in a game featuring sensational play from start to finish. All of the technical features of the game were ably executed by both teams.

Hero Club Wins. Georgetown Junior Preps lost one of the hardest games of the season last night when the Hero Club of the Y. M. C. A. defeated the youngsters from the Hilltop, 30 to 9. The score is not indicative of the hard fight which the losers gave their opponents.

MEMORIAL MARATHON PROVES SUCCESSFUL

Bob Williams, of W. A. A., Romps Across Goal Ahead of Field of Twenty-five.

The ten-mile marathon run held by Carroll Institute yesterday met with such success that the athletic association is sure to hold another next year. Originally it was planned to make the event an annual affair and the management, encouraged by the result of their first endeavor, are even more enthusiastic for the event next year.

Though handicapped by a rather late start, Carroll Institute deserves untold credit for making the event a success. By holding its run under the auspices of the A. A. U., a host of athletes were attracted from Baltimore, while some of the best men of the Washington field likewise supported the event.

Bob Williams, flying the Blue and White of the Washington Athletic Association, negotiated the distance first and romped home a winner by 400 yards. John Bolac, of Carroll, finished next to the winner, with Fred Baer, of the Baltimore C. C. C., a good third. E. McKenna, representing the Idlewild Club of Baltimore, trailed home fourth, while Golden Holland, the other representative of the Washington A. A., crossed the finish in fifth place.

Memorial A. C., which recently held its run under the auspices of the District Amateur Federation, had entered several men in the race, but at the last moment were not allowed to participate because of their standing with the A. A. U. This was a keen disappointment to many who had hoped to see the popular Georgetown club take part in the event. After the runners had covered about a mile, there were few changes in the relative positions of the contestants for the remainder of the race. The order in which the runners crossed the finish line follows:

Robert E. Williams, Wash. A. A., 1:01.34
John D. Bolac, C. I., 1:04.22
Fred Baer, B. C. C., 1:05.30
E. McKenna, Idlewild C., 1:06.45
G. W. Holland, Wash. A. A., 1:06.01
G. B. Hittcher, B. C. C., 1:06.30

Ralph Rose Raises His Own Record

SAN FRANCISCO, Feb. 22.—Ralph Rose, the noted California athlete, raised his own record for the eighteen-pound shot-put to 45 feet 5 1/2 inches. The former mark was 44 feet 1 1/2 inches.

Pat Donovan, of this city, threw the fifty-six-pound weight a distance of 16 feet 7 inches, half an inch better than his former record.

Rose is the Olympic champion with the American shot-putting record, having won the title in Stockholm, when he defeated Pat McDonald, the Times' champion, here against the best men of the East, who up to the Western man's work, have held the marks at this particular line of sport.

Lard and Miller Are Tied on Golf Links

The "Washington's Birthday" eighteen-hole golf match at the Chevy Chase, in which there were thirty-five entrants, ended in a tie between Allan Lard and G. B. Miller. Both turned in an even card. These golfers will play off the tie some time during the coming week for the prizes which were offered for the successful competitors.

Many of the participants in yesterday's match failed to turn in their cards, and consequently their performances were handicapped. Those which were handed in showed the following results: Allan Lard, even; G. B. Miller, even; H. C. Gillis, 1 down; E. H. Loftus, 1 down; J. H. Hicap, 2 down; E. M. Halcott, 2 down; and H. Taylor, 2 down.

First Detachment of Naps Start for Camp

CLEVELAND, Feb. 23.—The first detachment of the Cleveland American League team departed yesterday for the Southern training trip. Included in the party were Manager Birmingham, the veterans Lajoie, Turner, Grady, Steen, and Hlandink, and Betts, an outstanding recruit.

The first stage of the training camp of the Naps will be spent in Pensacola, Fla. Later the club will go to Jacksonville, Fla., and then to St. John's, N. Y., where they will be expected to go South today, is a holdout.

Washington Soccer Team Is Winner

BALTIMORE, Md., Feb. 23.—Washington soccer football team scored a victory over the Americans, of this city, at Patterson Park, yesterday afternoon, 1 to 0. Both teams played cleverly, but particularly on the defense. It was the brilliant playing of the visitors in this respect that their win was made possible.

Briggs and Fleck, after some nice passing and dribbling in the first half, succeeded in booting the ball through the goal for the only score of the contest. Morton's injury forced the Capital team to finish the game with ten men, which made their victory even more brilliant.

JENNINGS' BEBIEVES TIGERS UNDERRATED

"Senator" Dopes Detroit Team to Finish in Second Division. Famous Fighting Machine of Five Years Ago Is Broken.

By "SENATOR."

While sojourning in our beautiful city and acting as sporting editor of The Times, Hugh Jennings declared that his Tigers were greatly underrated and might land as high as fourth place. Indeed, the Detroit Tigers seem doomed from the beginning to finish in the second section of the Johnsonian league. Nevertheless, as with all teams in the throes of a rebuilding, the Detroit Tigers are an interesting bunch.

Some have gone as far as to say that Detroit will land in the cellar next fall. That hardly seems likely, with Cobb, Crawford and Bush on the Tigers and the old cellar boys really belong by right of eminent domain to the Browns. There's some consolation for the red-headed leader of the Janglers in that thought.

The famous old fighting machines that won three pennants back in 1907, 1908 and 1909 are broken and Hugh Jennings must make over an entirely new outfit, if he would ever again be in the running. He means to stay on in this herculean task.

Has Big String

Realizing the woeful weaknesses of his twirling staff last summer, Jennings takes thirteen pitchers to Gulfport, Miss., and hopes to find at least half a dozen capable of standing the strain under the big team. Mullin is ready now and should have another good year if he will attend to business. Joe Lake, too, by keeping "on the wagon" can pitch good ball, good enough to win generally. Dubuc showed enough last season to warrant success this year. However, naming these three with two of them on the doubtful list, you have the pitching problem facing Jennings. He must dig up new twirlers.

"Rube" Boehler, from Newark, Ohio, is being touted highly, a bad sign. Yet he worked in a few games last season with some success. Klavitt, one with the Giants and last season with Portland, Ore., comes up for another trial in the big show. He is a seasoned right hander who pitched in the Hall of Western League, winning twenty-five games and losing but nine. He will bear watching.

Wheatley, from Springfield, Ohio, and Daines, who pitched good ball for St. Paul, in the American Association, are considered pretty fair minor leaguers and may hang on for a while with the Naps. Then there are Zamloch, from Missoula, Mont.; Troy, from Adrian, Mich.; Claus, from Jackson, Miss.; and House, from Kewauke, Ind., none of whom are expected to stick.

Same Old Fault. With Oscar Stange in line, the same old battery troubles will be seen this year as last. Stange fogs the job. He is in there every day while able to play. The moment he is injured, the second string man is rusty and cannot hold the pitchers. If Jennings sees the light, he will work Stange in only half the games and try to develop one of the other men he has in line.

It is doubtful if the infield will be any different from last year's. Gainer at first, Louder at second, Bush at short, and perhaps Deal at third. Lajotte, from St. Louis, and Martin, of College, California, will try for first, but will hardly fill the bill. Shanley, passed over by the Browns to the Tigers, will put up a forlorn struggle against Donie Bush. Oscar Vitt will circulate around third, trying to beat out Deal, and the veteran, George Moriarty, Cobb and Crawford cannot be beaten.

G. U. SCHEDULE TO BEGIN IN MONTH

Hilltop Nine Will Face Climbers in One of Latter's Early Practice Games.

Georgetown's baseball team will be under way in another month, according to the schedule for the season announced by Manager Harrington. The Blue and Gray has an attractive list of contests this spring, including games with many of the leading Eastern college teams making their southern trip during the Easter period and the week following.

Georgetown is scheduled to play the Nationals at American League Park in one of their early practice games. Previous to this, however, the Hilltoppers have scheduled Mt. St. Joseph's for the opening contest on March 15, followed by one game with Lafayette the next day. Two with Princeton on March 22 and 24 and one affair with Yale on the 25th come next.

Two days after the game with Griffith's band, Georgetown goes to Annapolis for a single meeting with the Naval Academy. Johns Hopkins comes here for a game on April 2, while Cornell, which makes a late Southern trip, opposes the Hilltoppers on April 5 and 7. Gallaudet makes its appearance on Georgetown field two days later, while Harvard, which should be one of the season's attractions, will play in Washington on April 17.

Five trips have been arranged for the team this year. Georgetown's closest rival, the University of Virginia, is listed for three games this year, the first in Charlottesville, the others here.

The complete list follows: March 15, Mt. St. Joseph's; 19, Lafayette; 22, Princeton; 24, Princeton; 25, Yale; 27, Washington American League Park; May 4, Johns Hopkins; 10, Cornell; 12, Johns Hopkins; 16, Cornell; 17, Harvard; 18, Virginia; 19, Charlottesville; 22, Lebanon; 23, and 24, of North Carolina; 24, open; 25, Yale, at New Haven; 26, Trinity, at Hartford; 28, Virginia; 29, Virginia; 30, St. John's, at Annapolis.

ENTRIES ARRIVING FOR HILLTOP MEET

Princeton, Carlisle, Fifth Regiment, Episcopal High School, and Others Enter.

Princeton University will enter its entire track team in the big Georgetown University indoor meet which is to be held in Convention Hall next Saturday evening, according to advices received on the Hilltop this morning. Captain Thomas, of the Carlisle Indians, who is the intercollegiate 100-yard champion for 1912-1913, will have charge of the Princeton squad and will compete in the 50-yard collegiate and open dash events.

Glenn S. Warner, the famous athlete, director of the Carlisle Indian School sent in his entries yesterday and from the size and ability of the squad, it is apparent that the Redskins leader is determined to make a hard effort to capture the point trophy which is to be awarded to the school allying the greatest number of points.

The Fifth Regiment athletic Association of Baltimore entered their relay team this morning as well as several individuals. The four will undoubtedly be pitted against the Richmond team in the 400-yard relay race. The against Woodberry Forest, and in addition will have Harold S. Ships represent them in the pole vault and 50-yard scholastic dash event.

Marston University School, of Baltimore, entered the 50-yard scholastic dash event. Carter Glass, the Washington and Lee sprinter, has entered the 50-yard collegiate and open dash race. Last year won the century dash at the South Atlantic Intercollegiate Association games and should be able to put up a strong fight for first honors at the Hilltoppers meet.

The seats for the meet, which are on sale at Rolerts', Spaulding's, and White's, are going rapidly and according to every indication, the Georgetown game of 1913, will attract the largest crowd in the history of South Atlantic track sports.

American to Train English Olympic Team

CHICAGO, Feb. 23.—Probably the English team at the next Olympic games will be trained by an American coach, was made known here today. E. Mackay Edgar and Bernard Bosanquet, both of London, were in this country recently and came to Chicago to confer with Everett C. Brown, of this city, on the subject of getting an American trainer for the British Olympic team. Mr. Brown was former president of the Amateur Athletic Union, and American delegate to the last Olympic games.

"We have been deputized to find out on this side of the Atlantic what all our athletes," said Mr. Edgar to Mr. Brown.

"It will be easy to get a winning team if you follow my advice," said Mr. Brown. "That is, get an American trainer."

Mr. Brown said he expected the Englishman to end the conversation there, but Mr. Edgar replied: "That is what we have made up our minds to do, and we wish you to recommend a few men for us to consider."

Mr. Brown named Keene Fitzpatrick, of Princeton University; Jack Moakley, of Cornell; Harry Gill, of the University of Illinois; and Martin J. Delaney, of the Chicago Athletic Association, as trainers, and one of whom would have a British team in winning condition.

Mr. Edgar said the committee was prepared to pay \$10,000 a year to the right man. The committee has \$200,000 in hand to get a British team ready for Berlin in 1916.

M. A. C. ADOPTS EXTENSIVE DATES

Five Games on List Figure in The Championship of the State of Maryland.

COLLEGE PARK, Md., Feb. 22.—The baseball schedule for Maryland Agricultural College, which has been announced by Manager Koshier, is one of the best lists of games which the team has undertaken for a number of seasons. The schedule contains twenty-one contests, only eight of which will be played at College Park.

Five games included on the list will figure in the Maryland State championship. They are with St. John's, Johns Hopkins, Mt. St. Mary's, Mt. St. Joseph's, and Rock Hill. The first two named are considered the hardest in the battle for the title in which the Aggies hope to figure. Gallaudet and Catholic University are the only Washington teams which are fixtures at this time, although a game is pending with Georgetown. The list follows:

March 20, Frederickburg College, at Frederickburg; March 21, Richmond College, at Richmond; March 22, Richmond College, at Richmond; March 23, Swarthmore, at College Park; March 24, Rutgers, at College Park; March 25, Mt. St. Joseph's, at Baltimore; April 1, Rock Hill, at Ellicott City; April 2, Gallaudet, at Washington; April 3, Gallaudet, at College Park; April 4, Johns Hopkins, at Baltimore; April 5, Mt. St. Joseph's, at College Park; April 6, Mt. St. Mary's, at Annapolis; April 7, Mt.
